"The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program."

### **CANCELLATION, WITHDRAWAL AND REFUND POLICY**

**STUDENT'S RIGHT TO CANCEL.** The student has the right to cancel the enrollment agreement and obtain a refund of all charges paid through attendance at the first session, or the seventh day after enrollment, whichever is later.

The student has the right to withdraw at any time from the course of instruction after the cancellation period and receive a pro-rata refund for the unused portion of the tuition and other refundable charges if student reaches 60% completion or less of the period of attendance. The amount of the refund is determined by deducting the application fee from the total tuition charge, then dividing the remainder by the number of hours in the period of attendance to calculate the hourly charge. A student should send either through postal mail, hand deliver or fax a written notice of cancellation or withdrawal addressed to the School Registrar at California Trinity School of Business 2333 Beverly Blvd. Los Angeles, CA 90057. ## **STUDENT'S RIGHT TO CANCEL**

The student has the right to cancel the enrollment agreement and obtain a refund of all charges paid through attendance at the first session, or the seventh day after enrollment, whichever is later.

The student has the right to withdraw at any time from the course of instruction after the cancellation period and receive a pro-rata refund for the unused portion of the tuition and other refundable charges if student reaches 60% completion or less of the period of attendance. The amount of the refund is determined by deducting the application fee from the total tuition charge, then dividing the remainder by the number of hours in the period of attendance to calculate the hourly charge. The refund is the amount in excess of what the student owes for total hours of instruction completed, including the application fee.

A student should send either through postal mail, hand deliver or fax a written notice of cancellation or withdrawal addressed to the School Registrar at California Trinity School of Business 2333 Beverly Blvd, Los Angeles, CA 90057. The cancellation or withdrawal will take effect by the student's written notice or by the student's conduct, including, but not necessarily limited to, a student's lack of attendance.

Any refunds due will be made by the School within 30 calendar days from the effective date of cancellation or withdrawal.

In order to ensure that students are fully informed of their rights and procedures for recovering tuition refunds, a copy of the School's Cancellation/Withdrawal Policy is provided to each student upon registration. In compliance with the applicable California Education Code (Section 94919), the School's cancellation/withdrawal and refund policy is also fully disclosed in the enrollment agreement.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

# **POLICY AGREEMENT**

---

## **STATEMENT OF ACADEMIC FREEDOM**

**California Trinity School of Business**, herein referred to as the **School**, is dedicated to maintaining a climate of academic freedom encouraging the sharing and cultivation of a wide variety of viewpoints. Academic freedom expresses our belief in inquiry, informed debate and the search for truth; academic freedom is necessary in order to provide students with a variety of ideas, to encourage them to engage in critical thinking and to help them understand conflicting opinions.

Academic freedom encompasses the freedom to study, teach, and express ideas, including unpopular or controversial ones, without censorship or political restraint. Academic freedom, rather than being a license to do or say whatever one wishes, requires professional competence, open inquiry and rigorous attention to the pursuit of truth.

Students have the right to express their informed opinions which relate, directly or indirectly, to their academic activities, whether these opinions are expressed in the classroom, elsewhere on campus or at school-related functions. In a search for truth and in a context of reasoned academic debate, students also have the right to express their opinions and to question those presented by others.

Protecting academic freedom is the responsibility of the school community. Therefore, in a climate of openness and mutual respect, free from distortion and doctrinal obligation, the school protects and encourages the exchange of ideas, including unpopular ones, which are presented in a spirit of free and open dialogue and constructive debate.

## **STATEMENT OF NON-DISCRIMINATION**

It is policy of the school that applicants for admission shall not be discriminated against the basis of race, color, ethnicity, national origin, religion, gender, age and physical handicap. This admission policy, therefore, is in compliance with the following federal statutes prohibiting such discrimination; Title IV of the Civil Rights Act of 1964 (as amended); Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; Age Discrimination Act of 1975 and the Americans with Disabilities Act.

## **STUDENT CODE OF CONDUCT AND DISCIPLINARY POLICIES**

Students are expected to conduct themselves in an ethical manner and to abide by the regulations of the school. A student who violates school regulations and the following Student Code of Conduct may require the school to impose such penalties as deemed appropriate from verbal warning to dismissal. Any such disciplinary action will follow the established due process. Students will be informed in writing of the nature of the charges against them and will be given a fair opportunity to refute them.

The *Student Code of Conduct* includes the following:

1. Cheating is defined as and includes the use of study aids, examination files, other related materials, and receiving unauthorized assistance during any academic exercise;
