POLICY AGREEMENT

STATEMENT OF ACADEMIC FREEDOM

California Trinity School of Business, herein referred to as the **School**, is dedicated to maintaining a climate of academic freedom encouraging the sharing and cultivation of a wide variety of viewpoints. Academic freedom expresses our belief in inquiry, informed debate and the search for truth; academic freedom is necessary in order to provide students with a variety of ideas, to encourage them to engage in critical thinking and to help them understand conflicting opinions.

Academic freedom encompasses the freedom to study, teach, and express ideas, including unpopular or controversial ones, without censorship or political restraint. Academic freedom, rather than being a license to do or say whatever one wishes, requires professional competence, open inquiry and rigorous attention to the pursuit of truth.

Students have the right to express their informed opinions which relate, directly or indirectly, to their academic activities, whether these opinions are expressed in the classroom, elsewhere on campus or at school-related functions. In a search for truth and in a context of reasoned academic debate, students also have the right to express their opinions and to question those presented by others.

Protecting academic freedom is the responsibility of the school community. Therefore, in a climate of openness and mutual respect, free from distortion and doctrinal obligation, the school protects and encourages the exchange of ideas, including unpopular ones, which are presented in a spirit of free and open dialogue and constructive debate.

STATEMENT OF NON-DISCRIMINATION

It is policy of the school that applicants for admission shall not be discriminated against the basis of race, color, ethnicity, national origin, religion, gender, age and physical handicap. This admission policy, therefore, is in compliance with the following federal statutes prohibiting such discrimination; Title IV of the Civil Rights Act of 1964 (as amended); Title IX of the Education Amendments of 1972; Section 504 of the Rehabilitation Act of 1973; Age Discrimination Act of 1975 and the Americans with Disabilities Act.

STUDENT CODE OF CONDUCT AND DISCIPLINARY POLICIES

Students are expected to conduct themselves in an ethical manner and to abide by the regulations of the school. A student who violates school regulations and the following Student Code of Conduct may require the school to impose such penalties as deemed appropriate from verbal warning to dismissal. Any such disciplinary action will follow the established due process. Students will be informed in writing of the nature of the charges against them and will be given a fair opportunity to refute them.

The *Student Code of Conduct* includes the following:

1. Cheating is defined as and includes the use of study aids, examination files, other related materials, and receiving unauthorized assistance during any academic exercise;
